

10:01:23 From NOD : Hello!

10:01:38 From O : Hi

10:01:56 From BC : Hi from Coventry

10:03:15 From JS : nice

10:03:53 From JS : horses?

10:04:20 From JS : Very good topics

10:05:42 From LS : Good Morning from very early in the USA

10:06:18 From JS : that is really a good one, that works brilliant!

10:06:56 From Admin : <https://azizshamanism.com/manifestation-centre-advanced-body-electronics-online-course/>

10:07:03 From JS : Reacted to "https://azizshamanis..." with ❤️

10:08:04 From MD : What is the difference between narcissism and vampirism? And what to do when someone is both?

10:09:26 From NOD : What might you be denying/not facing if you regularly attract people who are jealous of you?

10:13:12 From SP : If they are a big problem in our life in the first place, what does that say about ourselves, is there a hidden part of ourselves that is narcissistic that we haven't resolved somewhere that we haven't discredited?

10:13:24 From Carrie : Follow Peter on the socials:

10:13:36 From KB ❤️ : Q: how do we know that we are not narcissist?

Q2: what to do if we find some narcissist traits in us?

10:16:45 From B : When you perform a remote shamanic healing on someone do you find it helpful to share with the person what you worked on and/or suggestions for further healing?

10:17:10 From B : does narcissism repeat through family generations? like a woman has a narcissistic mother and end up marrying a narcissist?

10:17:34 From S : Can Peter offer help when your child is exhibiting Narcissistic behaviour?

10:18:36 From LM : How can you handle a narcissist when it's a parent? It has been painful to accept my father has been this way all along, grieving for childhood and in shock realising this after he tried to bribe me to visit him in July

10:18:43 From JS : If you use the talisman- do you choose sometimes to not use it if there are lessons to be learnt. For example your brother in law has a wife with narcissistic behavior, can you feel a sort of no not to use it.

10:19:58 From FB : Can you tell more about the spiritual weapon package you offer.

How does it differ from the recent workshop about destroying energies & calling in protection and regular Candali empowerments you offer?

10:21:21 From LM : Since i have been setting boundaries with my narcissistic father i had been encountering strange dreams and addictive tendencies - are there entity attachments with narcissists and can it be passed down to the children?

10:22:18 From C's iPhone : If you had a narcissistic parent and how do you heal 'echoism'?

10:26:47 From SP : You have a a new Sekhmet White Lion Tenaga Dalam? Can you explain the difference of this system and benefits compared with the basic Tenaga Dalam and with the Naga Cakra Tenaga Dalam from the Advanced Dragon courses? Is this stand alone system or are any levels included in the new Advanced Egyptian Magick and does it have any requirements?

10:28:01 From L&D : I have an extra advice for dealing with narcissists. Talking with them like a 4 year old. I made the test and it works very good. Its for situations when you need to get through a situation with them. I was shocked that I didn't get recognized about my acting (talking in child language) and different approach of talking.

The opposite person seems also not able to feel if the other person „lie“.

10:45:32 From M : I saw the Pope in Brussels last Sunday and he publicly apologised for the sexual abuse in the Church and that no one should tolerate it and speak up instead. I think it is a real improvement.

10:55:47 From M : In London there were black helicopters at night, circling all the time. They are not looking for criminals as they commonly say. They create a vortex of dark energy to come in to the capital of the heart chakra. It sucks people's energy dry.
