

## Spiritual Maturity Prayer Prompts

*Prayer prompts are meant to serve as a springboard to your prayers. Use them to help focus your thoughts and give direction to your prayers as you meditate on the idea of spiritual maturity.*

- \* Lord, I want so much to be like the good soil that receives Your Word, grows, and bears lasting fruit. Help me to put away distractions and cultivate a heart that seeks and treasures Your truth.
- \* Father, sometimes I know that I get complacent and content with spiritual immaturity. Help me to look for opportunities for spiritual growth, even when these opportunities push me outside my comfort zone. I want to be intentional and committed to cultivating a strong faith in You.
- \* God, if the need arises, teach me to restore others gently and bear their burdens in love. Help me to remember the many times that I have sinned and needed Your forgiveness. Help me to have the right words and the right heart.
- \* Lord, please give me humility and discernment to recognize any areas of childish or immature thinking. I want to stand firm in Your truth and not be tossed about by false doctrines or deceitful schemes.
- \* God, one of my biggest blessings is my family, Your church. Thank you for designing the church in this way so we can support one another through trials and help each other persevere. Help me to remember to listen to the wisdom from my brothers and sisters who are further along in the spiritual journey than I am.
- \* Lord, teach me the value of training myself for godliness. There are so many things that distract me from studying and meditating on Your Word as often as I should. Help me crave time with You and prioritize my time to make room for spiritual training. When I do make time to study, please help my time in Your Word and prayer to shape my character and deepen my knowledge of You.
