

MASTER HYPNOSIS TRAINING MANUAL

The Master Hypnotherapy Certification course is a comprehensive program designed to equip you with all the necessary skills and knowledge to begin your practice as a proficient Hypnotherapist. This course covers a wide range of essential topics, including Session Planning, Understanding Your Clients, Inner Healing Methods, Levels of Consciousness, Body Syndromes, Past Life Therapy, and Future Regression. You will also master advanced Hypnotic Techniques to help clients detach emotions from memories, effectively removing emotional triggers that keep them bound to the past.

Upon graduating from this course, you will be fully prepared and capable of embarking on your journey as a Master Hypnotherapist, ready to make a profound impact on your clients' lives.

Course Information

There are three aspects to this course that you will need to complete to receive your certificate as a Master Hypnotherapist.

1. Online Training

Upon registration you were given access to the online training platform. This platform lays out all your requirements in an easy-to-follow step-by-step structure. If you have questions about how to use the platform you can email our staff at info@hypnotherapyprocollege.com.

In the online training platform are required to complete the required reading, audio, and video assignments along with quizzes.

Online, under the section called “Student Training Manual” you will be able to watch the video lessons to complete this manual. Fill-in the blanks as you go along and feel free sure to ask questions to your coach.

2. Practicum

You will find step-by-step instructions for completing your practicum in the online training platform. You can begin your practicum after completing the lessons under Student Training Manual. You will find your Session Tally excel spreadsheet under forms on the HPC learning site.
