

**BSC CURRICULUM**

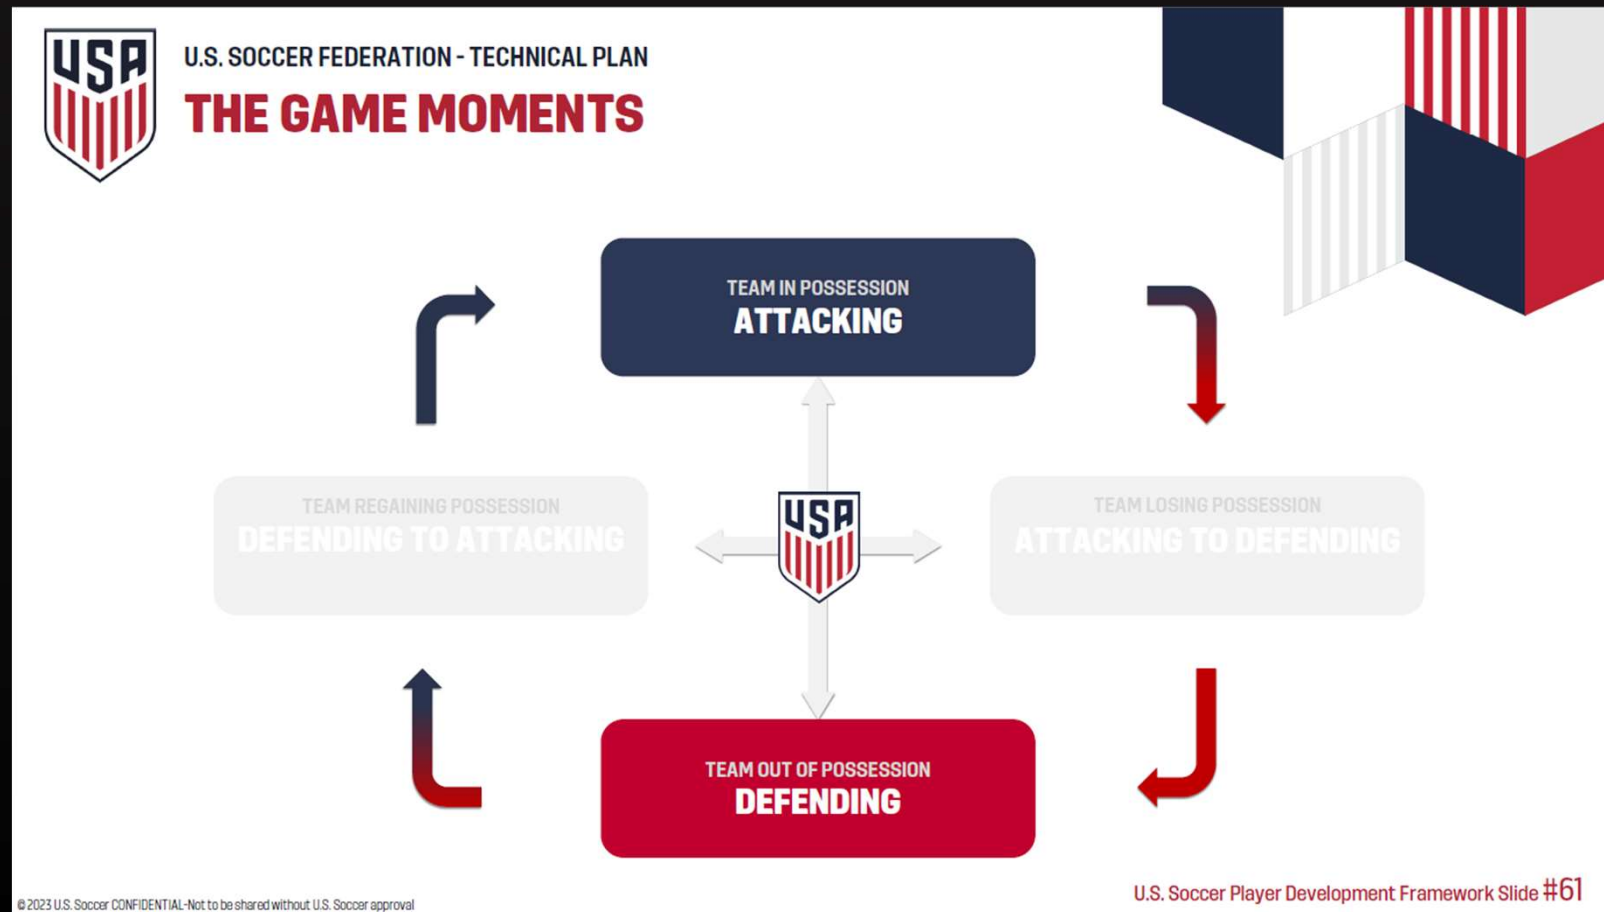

# **ORGANIZATION**

# BSC CURRICULUM ORGANIZATION

*When the team is positioned in a organized way in possession of the ball or out of it*

## BSC CURRICULUM

# OFFENSIVE ORGANIZATION

*It's the foundation upon which goal-scoring opportunities are built. It's when our team has possession of the ball.*

### Main Principles

1. Create Attacking Team Shape
2. Provide Options To Play Forward
3. Break Lines To Advance Attack
4. Finish The Attack

### Sub Principles

- ( ) Create appropriate height, width, depth
- ( ) Move or lose opponent when marked
- ( ) Drive with the ball to exploit space
- ( ) Find a free player between or behind the lines
- ( ) Switch play: change the point of attack
- ( ) Find the player in a position to score or assist
- ( ) Fill in zones in front of goal
- ( ) Finish from the dribble, pass, or cross

## BSC CURRICULUM

# OFFENSIVE ORGANIZATION

*It's the foundation upon which goal-scoring opportunities are built. It's when our team has possession of the ball.*

- **When?** The team is in possession;
- **Who?** The player with the ball and teammates;
- **How?** Passing and moving into open space;
- **What?** Organization and pattern of movements and ideas;
- **Why?** If we have the ball, we can score and the opponent can't.

## BSC CURRICULUM

# DEFENSIVE ORGANIZATION

*It's the foundation upon the solidity of the team is built. It's when our opponent has possession of the ball and we look to deny their chances.*

### Main Principles

1. Create Defending Shape
2. Build Pressure on the Ball
3. Recover When Pressure is Broken
4. Deny the Finish

### Sub Principles

- ( ) Make team compact
- ( ) Initiate pressure on the opponent with the ball
- ( ) Engage to regain the ball
- ( ) Provide cover
- ( ) Immediately (re-)apply pressure on the ball
- ( ) Look to intercept passes
- ( ) Get narrow and close the middle
- ( ) Challenge to protect against goal attempt

# DEFENSIVE ORGANIZATION

*It's the foundation upon which goal-scoring opportunities are built. It's when our team has possession of the ball.*

- **When? The team is NOT in possession;**
- **Who? All the players have to defend;**
- **How? Closing the spaces and being compact;**
- **What? Organization and pattern of movements and ideas;**
- **Why? If we don't have the ball, we need to try and get it back.**
