

Many Languages Project (Getting Started)

Purpose:

Bring people together through language learning.

Goals:

- 1) Build **life-long friendships** between people through language learning.
- 2) Build **cultural awareness** among people through language learning.
- 3) Build **inter-faith awareness** among people through language learning.
- 4) Build **income sources** among people through language learning.

How to get involved:

Email Teacher Josh and let him know you are interested in the **Many Languages Project** (englishconnect4.0@gmail.com)

Ways to get involved:

- 1) Learn a second language using the Growing Participator Approach lessons.
- 2) Teach a second language using the Growing Participator Approach lessons.
- 3) Translate the Growing Participator Approach lessons into a second language.
- 4) Send Teacher Josh your recordings (videos and Quizlet Links) to be added to the Many Languages Project.
- 5) Become an author and course creator for the Many Languages Project.
