

SAFETY

FOUNDATION

- Wear ear and eye protection
- Never load your gun until in the cage with the gun facing in a safe direction
- Never load more than 2 shells in the gun
- Carry the gun with muzzle pointed up in the air or towards the ground with the action open
- Never point the gun at anything you are not willing to shoot
- It's never too soon to teach gun safety to your children.
- Manage sub-gauge ammunition – keep 20 gauge(always yellow) away from 12 gauge guns
