

# reveel™ your best skin

Re-activate skin's natural beauty with innovative technology that activates at point of use. Reveel's clinically-tested products work with your skin's natural biological signaling system to effectively communicate with your skin.

## German-Engineered Skin Care

Reveel is formulated & manufactured in one of the most trusted skin-care hubs in the world: Germany.

## 50+ Years of Clinical Expertise

For decades, Reveel's parent company has helped burn victims regenerate skin with their FDA-patented technology.

## Cryopreservation & Encapsulation

Proprietary technologies that preserve active ingredients & combine them at point of use for maximum efficacy.

## not your ordinary collagen

Reveel has been tested and validated by some of the top third-party research labs and universities in Germany.

97% bio-identical collagen peptides

restores skin hydration

reduces appearance of fine lines & wrinkles

how reveel's collagen works.

how these products are preserved.

## other bio-intelligent ingredients

### alginate

Derived from brown algae, alginate binds & removes pollutants and dead skin cells from the skin's surface while infusing skin with moisture.

### resveratrol

Protects the production of collagen and neutralizes free radicals caused by environmental toxicants.

### vitamin c

Known for its anti-aging properties, vitamin C balances enzymes involved in collagen and melanin synthesis and neutralizes free radicals.

## home care best sellers

**Vitamin C Concentrate**  
Minimizes visible signs of aging, like fine lines, wrinkles, and pigmentation.

**AHA Fluid**  
Effective "leave-on exfoliant" with 10% AHA for a brighter, more homogeneous and radiant complexion.

**Collagen Eye Mask**  
Alginate eye mask to instantly define, rehydrate, and firm the eye zone.

**Collagen Serum Spray**  
Native-collagen serum for instantly smoothed, plumped skin –wherever, whenever.
