

What You Need to Get Started

Welcome! In this introduction video Colin shows you what you need to get started. Colin uses Faber-Castell Pastel Pencils and Ingres Pastel Paper by Fabriano.

The 6 Pencils Colin uses are: 101 (white), 187 (Burnt Ochre), 273 (Warm Grey), 176 (Van Dyke Brown), 168 (Earth Green), 175 (Dark Sepia).

Resources

In the resources section we have provided the outline drawing and reference picture. We provide the outline so that you can either choose to print it straight to your favourite pastel paper, trace it through using a carbon or even draw the picture free hand.
