

Day 1

DONT SLEEP

on your success

VISUALIZATION

**It's time to visualize what you want you want for your business!
Its time to be intentional with yourself and your newfound passion project.
Take some time out to listen to a 20-30 minute visualization audio/video, do
yoga, go on a walk/hike.**

**Simply clear your mind and when you are done write down everything that
popped into
your mind during this down time. Scribble it below!**

A large, empty rectangular area with a light purple-to-white gradient, intended for writing or scribbling.

Day 1

DONT SLEEP

on your success

VISUALIZATION

Let's create a Pinterest Board!

Create a board of your inspiration and share it with the group!

Write down new ideas that you want to implement in your business.

Even down to the quality of photos, videos...

Day 1

DONT SLEEP

on your success

MANIFESTATION

**Now that we have taken in all of this newfound positive energy!
It's time to write down your goals that you'd like to achieve in your business as we flow
flow into this New Year with purpose and promise.**

**Who do you want to be? What do you want to create? Achieve? Accomplish? How much
money do you want to make? Hiring? What kind of employees do you want? How many?
Where do you want to be seen?**

**Determine this now as we build on this and create an action plan for your business. Its
Important that you are thinking of this now! This will help you create the proper roadmap
for what you want for your brand to stand for as you grow your brand!**

**For example, This companies set ups are around least 5 figures+ for majority of their
events. They know exactly who they are, what they have to offer, and who their ideal
customers are.**
