Secrets of Terrific Type

Lesson 02-07: Tracking Challenge

Are you feeling confident about Tracking? I hope so! Because now it's time for a challenge.

Ok guys, now that you've created a modern style logo with me, I want to challenge you to make something yourself.

There are SO many things you can do with Tracking! As with all of our challenges, there aren't many restrictions. The only rule is to use Tracking in some way to create your own word art.

Remember, take your time. Enjoy the process of working on each topic for awhile before you move on. It's the best way to make sure what you learn sticks with you.
