

The problem with too many believers in Christ is not believing God at His Word for what is possible in their own lives.

- 1.They may not know the Word
- 2.They read the Word but believe it is for 'someone else'
- 3.They are afraid of what might actually happen if they read, believed and lived
- 4.They are afraid of the unknown, forgetting that God, the Omniscient One, knows all things.

Does any of the above apply to you? Every one wants to know what lies ahead, but God requires we believe and trust His Word, knowing that He is in control and wants to direct our lives.

Sit and have an honest talk with yourself and respond to the following questions.

What would you do if you knew you had access to power beyond measure?

Do you live your life as such?

What is stopping you from diving fully into this power?  
Dig deep and be honest.

How do you think life would be different for you if you  
lived in this power 24 hours a day, 7 days a week?

What are some of the steps you would take to make this  
a reality and no longer have these hindrances?

Write here some go-to verses to help keep you aware of the power of God to which you have access.

Here is the first passage for you -

But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

John 1:12-13

Meditate on the verses and ask God to show you how to apply them. Be sure to write down what He says.
