

Below are a few script ideas that can help generate conversations with clients about some of the business funding solutions you have to offer through your relationship with us.

SBA Corona Relief Programs...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about how I can help you navigate the systems, and put you in front of a lender that participates in the SBA Corona Relief programs designed to help American businesses get back on their feet?"

Private Sector Funding...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about how I can help you secure private sector funding?"

Work from Home...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about a safe Work from Home Opportunity?"

Religious and Civic Organizations and members...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about how I can help your secure funds that will benefit your organization and its members?"

Revenue Sharing...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about the benefits of Revenue Sharing?"

Long term sustainable lending solutions...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about short term and long- term sustainable lending solutions?"

Navigate the new complex finance world...

"I am a Local Relief Funding Agent. We work with local communities and businesses that have been impacted by the Corona pandemic. Do you have 5 minutes to speak with me about how to navigate the new, complex finance world?"
