

Tool #18: EDUCATE YOURSELF

Educate yourself:

- Read books: (use affiliate links)
 - Your Money or Your Life by Joe Dominguez and Vicki Robin.
 - Total Money Makeover by Dave Ramsey.
 - The Soul of Money by Lynn Twist.
 - Use story of \$50,000 returned
 - The Millionaire Next Door by Thomas Stanley and William Danko.
 - The Truth About Money by Ric Edelman.
- Subscribe to helpful blogs, e-letters, and print.
- Observe others – learn from their mistakes and successes.

Average people would rather be entertained than educated. Rich people would rather be educated than entertained.

Steve Siebold

I will read the following books within the next 12 months:

I will read the following books after that:

I plan to read [1] [2] [3] [4] books related to financial success every 12 months.
