- 2) How are these artworks similar?
- 3) How are these artworks different?
- 4) Pick one artwork. What might we be able to tell about the painter's experience, impression, or feeling of this place by looking at this artwork?
- 5) Which of the impressionist paintings on our slideshow is most likely to be considered a landscape? Why?
- 6) Do any of these artworks remind you of a place that you have been to before? If so, what about the artwork brings that place to mind?

5th Grade "A Lasting Impression" Unit: Day 6 Self-Reflection and Self-Assessment

After carefully examining your finished artwork, complete the following questions about your artistic experience!

- 1) What two things are you most proud of when you examine and reflect on your artwork?

- 2) What one thing would you improve upon or do differently if you were to do this project again?

- 3) What meaningful place did you use to create this painting? How did painting this place affect your artistic experience?

- 4) After reflecting on our objectives of content, creativity, composition, craftsmanship, and care, what kind of score would you give yourself for this project? Why?
