A close-up photograph of a cardboard box filled with numerous light pink roses. The roses are densely packed and have delicate, layered petals. A semi-transparent red rectangular overlay is positioned in the upper left corner of the image. Within this red area, there is a white square containing a smaller white square, resembling a play button icon. A semi-transparent red rectangular box is centered over the lower part of the roses, containing the text "What You See ...".

Disclaimer

The background of the slide is a warm-toned photograph of a library. In the foreground, an open book is placed on top of a laptop. To the left and right of the laptop are stacks of several closed books. The background is filled with rows of bookshelves, with the books and the lighting creating a soft, bokeh effect. A large, semi-transparent red rectangle is positioned in the upper left corner. A white square with a smaller white square inside it is located within the red rectangle. A semi-transparent red horizontal bar is centered across the middle of the image, containing the text 'Purely Educational'.
