

Lesson 14 - Call and Answer G Mixolydian – Single-Strings

- Lesson 14, single string improvisation on G Mixolydian. So, once again, we will do call and answer, and we'll do short phrases, and we will switch string at every sentence, every time we do a call and answer. Ready? First string. One, two, three, and four. Your turn. Second string, my turn. Your turn. Third string. Your turn. Going for the fourth string. Your turn. Fifth string now. Your turn. Bottom string. Your turn. Now, let's improvise together. First string. Second string. Improvise together. Third string. And finishing. Good job.
