

Class Supplies

These are the supplies I use for this project, but you can also substitute for other brands.

- White Zendala (2)
- Graphite pencil. My favorite is Staedler Mars Lumograph F, but any pencil will do
- Pencil Sharpener
- Micron pens (brown, black and blue 01 - the lighter blue, not the super dark one)
- Fine-liners blue and orange. My favorites are Marvy Le Pen Light Blue and Marvy Le Pen Orange. These are water-soluble, but they don't have to be for this project.
- White gel pen. My favorite is Sakura Gelly Roll 10, but you can also use 08 or Uni Signo Broad
- Gold gel pen. My favorite is Sakura Gelly Roll gold.
- Watercolor pencils. Albrecht Durer Cobalt Turquoise 153 and Dark Cadmium Orange 115.
- Regular colored pencils. I use Caran D'ache Pablo Violet 666.120 and UMBER 666.049
- Printed copy of Markus Operandus for Zendala
- Waterbrush (or paintbrush and water container).
- Optional small ruler
