

Welcome to your Level 4 Certificate in Micropigmentation - Machine Method for the Face

Thank you for choosing to complete your Level 4 Certificate in Micropigmentation - Machine Method for the Face with Fakealicious Training Academy, endorsed by Proqual for an Ofqual regulated qualification. We would like to give a warm welcome and hope you enjoy the course. Micropigmentation for the face covers brows, lips & eyeliner and they are all explained in depth providing you with the relevant information and guidance needed to complete your assignments.

This manual is for the use of those training with Fakealicious Training Academy. It must not be sold or re sold for any other training purposes.

To complete your Level 4 Certificate in Micropigmentation - Machine Method for the Face you will need to complete:

- 4-5 assignments, this is to be done from home and must be sent by email to fakealicious_trainingacademy@outlook.com for marking.
- EIGHT different clients covering the range of:
 - eyebrows 2x machine method – powder/ombre
 - eyeliner x1 and eyelash enhancer x2
 - Lip blush x2
 - Microblading (if completing) x2
- 2x Salon manager Practical assessment (forms under 'understand health & safety in a salon/clinic environment')

UNITS COVERED ARE:

- Health and Safety in a Salon Environment
- Infection Control and Prevention for Cosmetic, Aesthetic and Needle Related Treatments
- Providing Initial Consultation with Client
- Principles and Practice of Cosmetic Micropigmentation -
- Eyebrow Micropigmentation Microblading - Manual Method

You will either be picking microblading or micropigmentation – if doing both units there is an extra fee – if completing just microblading ignore the assessments for 'machine' work

When carrying out your practical you will be assessed, you will receive face-to-face feedback on how your assessment went and receive a PASS or FAIL. If the assessment cannot be passed you will have an opportunity to come back and complete another assessment. You will only pass your assessments once you are at salon standard.

When completing your written assignment, this must be typed in a word document and as it is a level 4 Qualification it must be written in depth (around 2-4 paragraphs). You must answer the questions in the detail & in layman's terms, as if explaining it to somebody who is not in the industry.

Once your e-learning portfolio has been uploaded to the system and your practical assessment has been completed we can apply for your Ofqual certificate, please understand that this is a Qualification, therefore certificates could take some time to come as it goes through a strict signing off process.
