Neroli Schism Power

Helps us reconnect with our Divine nature, indivisible, un-split by duality, right or wrong, this or that. Provides opportunity to embrace opposites.

Neroli & Guilt

By bringing in Lightness of Being and Divinity embodied, Neroli helps move stuck energetics caught in unproductive guilt and shame "loops" in body/mind.

Neroli & the Sexual Wound

Softens barriers/boundaries that prevent integration of self to Self. Helps to create a sense of embodied safety, which can invite us Home into our own bodies, thus relieving shock and dissociation.
