Topic	Course Title	Link Video
Intermediate Workshop		
TRB Standard Detail for Beam and Column	Kajian Standard Detail Penulangan Dalam Menghitung Volume Pekerjaan Penulangan Kolom & Balok	https://glodon-trainings.teachable.com/courses/enrolled/1696796
PDF Drawing Method	Pemodelan Struktur & Arsitek di Cubicost TAS dengan Gambar PDF	https://glodon-trainings.teachable.com/courses/enrolled/1758401
Beam Reinforcement Method	Penulangan Balok dengan Detail Potongan, Tabel dan Denah Potongan Penulangan Balok	https://glodon-trainings.teachable.com/courses/enrolled/1788167
Slab and Raft Foundation Reinforcement Method	Kajian Penulangan Plat Dan Raft Foundation	https://glodon-trainings.teachable.com/courses/enrolled/1822520
Steel Structure Modeling	Pemodelan Struktur Baja dengan Cubicost TAS C	https://glodon-trainings.teachable.com/courses/enrolled/1852171
Cost Modeling Implementation in Construction Phase	Penerapan Cost Modeling pada Cost Estimation & Quantity Surveying dalam Fase Konstruksi	https://glodon-trainings.teachable.com/courses/enrolled/1929522
Checking Manual Quantity vs Software	Mengecek Perbedaan Antara Perhitungan Manual dengan Hasil Software	https://glodon-trainings.teachable.com/courses/enrolled/1951974
