

## SecureALL<sup>®</sup> SCBA Locking System

### SecureAll<sup>®</sup> SCBA LOCKING SYSTEM

H.O. Bostrom's SecureAll<sup>®</sup> SCBA Locking System is a user friendly solution for storing SCBAs. Featuring an easy access front release handle in the cushion and quick adjustability to store most SCBAs, the SecureAll<sup>®</sup> is the perfect choice for securing your bottle in transit.

- No straps or clamps to snag on gear
- Secure fit holds SCBA bottles in all directions
- Adjustability to fit most SCBA brands
- Replacement components available
- Meets NFPA 1901 and EN 1846-2 standards
- Bag your contaminated SCBA and clean at station (still meets NFPA standard)

**Tanker 550  
with SecureAll<sup>®</sup>  
and RestStop**

#### Retrofit Kit

- Fits all H.O. Bostrom ABTS and non-ABTS SCBA seats
- Can be retrofitted into other seating brands

#### Wall Mount

- Safely stores SCBA inside cab or compartment
- Mounts vertically or horizontally

#### RestStop Backpad

- Adds back support when no SCBA is stored
- Folds out of the way when SCBA is stored
- Only available with SecureAll<sup>®</sup> SCBA Locking System
