

# Hybrid Identities

## Configure and Manage AD DS Passwords

### Objectives:

At the end of this episode, I will be able to:

1. Configure and manage AD DS passwords.

### Key Points:

List and discuss the password policies located in the Computer Configuration\Policies\Windows Settings\Security Settings\Account Policies>Password Policy node.

---

List and discuss the account lockout policies located in the Computer Configuration\Policies\Windows Settings\Security Settings\Account Policies\Account Lockout Policy node.

---

---
