Implement Azure AD Connect

Objectives:

At the end of this episode, I will be able to:

1. Implement Azure AD Connect.

Key Points:

Which blade in the Azure portal should you access to download the Azure AD Connect tool?

What is the difference between the Cloud Sync and Connect Sync blades within Azure AD Connect in the Azure portal?

List and discuss the steps for installing Azure AD Connect on an on-premises Windows server.

What is the difference between a pilot sync and a full sync with Azure AD Connect? And why is a pilot sync even necessary?
