

Long AE Song

“A” “A” “A” “A” Listen to the long A in these words

Are you ready for some more?

We are not done yet

lake

game

same

fame

Listen to this song with the silent E words

An ape wore a cape when he tried to escape

from the spooky cave

Then he jumped into the lake

But was scared by a snake

So he climbed up a crane

and played a really silly game

ATE Song

"ate" is made with ATE Listen to these words that end with the sound of "ate"

G says "g" "g" and "ate" make the word gate

g and **ate** **gate**

M says "m" "m" and "ate" make the word mate

m and **ate** **mate**

D says "d" "d" and "ate" make the word date

d and **ate** **date**

You can find "ate" in these words like

fate

hate

late

rate

skate

crate

plate

Let's listen for these words in this cute little song

Nate and Kate went on a date

They saw a movie that they both did hate

After the movie they tried to roller skate

Then they got hungry and shared a pizza plate

When Tate asked her friend Kate

how she'd rate that date

She said it was her fate

that Nate would be her mate

ADE Song

Three letters A-D-E together they say "ade"

Just like our words

glade and shade

Just like our words

trade and grade

J says "j" "j" and "ade" say the word jade

j and **ade** **jade**

F says "f" "f" and "ade" say the word fade

f and **ade** **fade**

M says "m" "m" and "ade" say the word made

m and **ade** **made**

Let's use some of these words in a song that you've never heard

There was a girl who lived in a glade

And she would study in the shade

She had a love for sparkly jade

So her studying book she did trade

Without her skills that she had made

her smarts would fade

not making the grade

ALE Song

A-L-E they say "ale" Let's make some words using "ale"

S says "s" "s" and "ale" make the word sale

s and **ale** **sale**

T says "t" "t" and "ale" make the word tale

t and **ale** **tale**

V says "v" "v" and "ale" make the word vale

v and **ale** **vale**

S-C says "sc" "sc" and "ale" make the word scale

sc and **ale** **scale**

There are so many words which use the sound "ale" like

gale

whale

pale and

stale

Using these words let's sing a wacky song that goes something like this

There was a young male

who was looking kind of pale

from riding on the back of a very large whale

On the back of this whale

they were stuck in the gale

which is why our friend was looking so pale

AKE Song

A-K-E they say "ake" We can make a lot of words using "ake"

B says "b" "b" and "ake" make the word bake

b and **ake** **bake**

R says "r" "r" and "ake" make the word rake

r and **ake** **rake**

M says "m" "m" and "ake" make the word make

m and **ake** **make**

S-H says "sh" "sh" and "ake" make the word shake

sh and **ake** **shake**

There are so many words which use the sound "ake" like

snake

take

cake

quake

Using these words let's sing a wacky song that goes something like this

There was a snake

that wanted to make

a triple thick chocolate shake

But before he makes

this chocolate shake

he'll take a bite

of chocolate cake
