A NOTE FROM THE FOUNDER OF GROW&GO

Hey Sis,

Let me start off by saying that I am so proud of you. I am proud of your commitment to grow. I am proud of your decision in taking this step. I am proud of your obedience and heart to excel in what you are called to do.

If you are reading this then that means you are either serving at your Church and are interested in developing your leadership skills, or you are already serving in a leadership capacity and are interested in maximizing your gift and skillset. Either way, you are at the right place and I am thrilled to go on this journey with you!

The vision of **Grow&Go** is birthed out of the Great Commission found in Matthew 28:19-20.

As disciples of Jesus Christ, we have two primary responsibilities that can otherwise be summed up in the form of these two questions:

- How am I personally growing in my relationship with Christ?
- How am I reproducing in others who I am becoming in Christ?

A healthy sign of spiritual growth is multiplication. This means that as our personal walk with Jesus Christ grows in depth, it should reproduce in others what has been developed and strengthened in our lives.

The **She Leads** workshop topic will kick off with a 3-part workshop. This series will provide helpful lessons that will strengthen your leadership skills, and enable to you grow as a disciple who reproduces.

As you go through each section, my personal recommendation is that as you take a moment to open in prayer, and invite the Holy Spirit to give you His clarity, focus, and revelation.

I pray that this resource will **grow** you in ways that will empower you to **go** make a difference in the lives of those around you.

Cheering you on sis!
