Introducción

Course Aims

What baseline knowledge
do you already have?

What more do I need to be
fully confident and
bossing it in this field?

Which complications you're
likely to need to know about

Avoidance
How to identify them
Discussing them with your
client-trust
Safe management

Where you are now

What do you already know?

Step by step

Implement as you go
approach

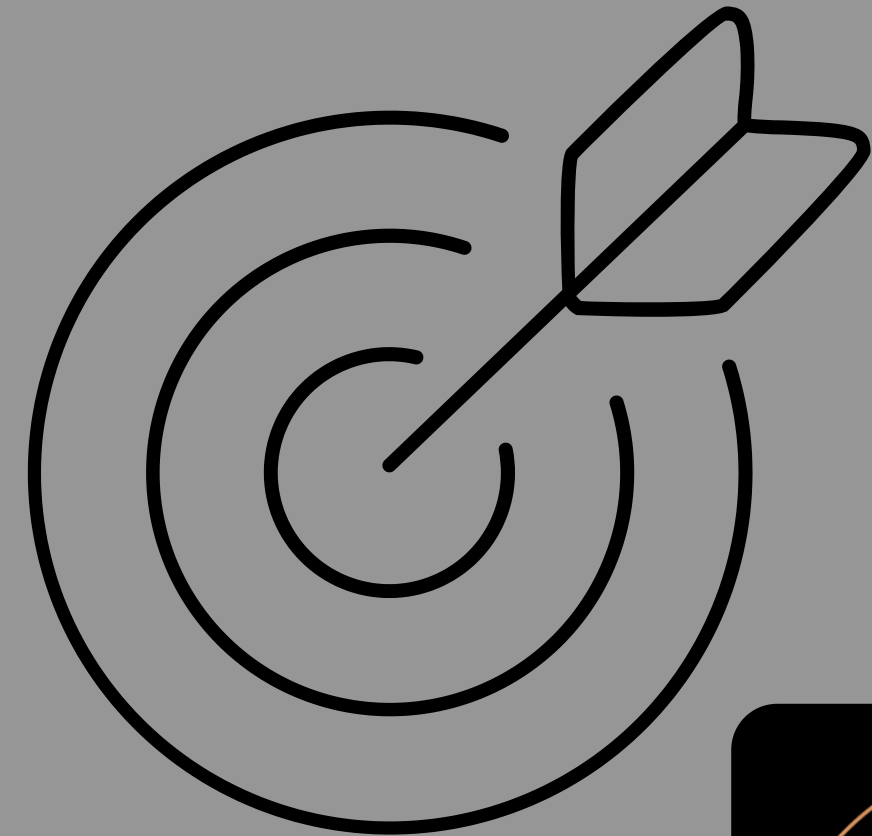

Goalgetter

Where do you feel there
are gaps?

What to add and how

Basics- may be blank
canvas

Continually building

How to use

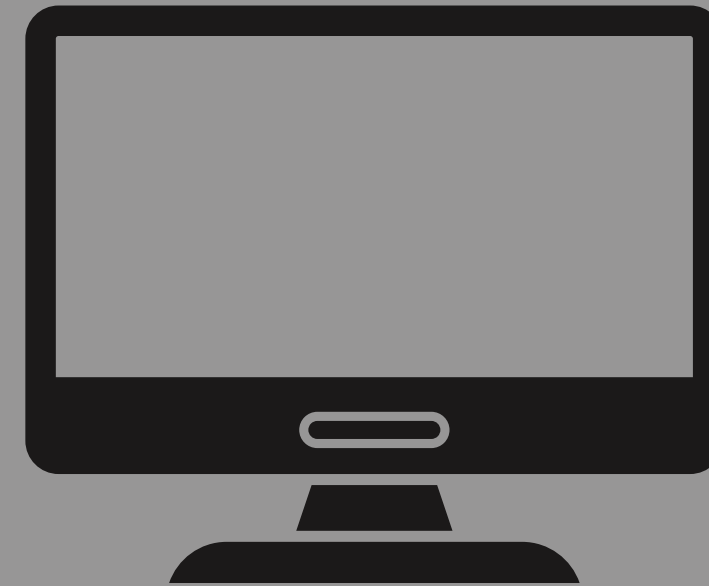

Printable slides

Online lessons- workbook

Creating protocols

Certificate

Lifetime updates access
