

7. Nouns

Every Greek noun will be defined by three important attributes:

1. Case
2. Number
3. Gender

Fill out the chart below from memory.

Case	Number	Gender
N ominative	S ingular P lural	M asculine
G enitive		F eminine
D ative		N euter
A ccusative		

Match the case with its function in the sentence.

<u>C</u> Nominative	A	Object of the verb (receives the action)
<u>D</u> Genitive	B	Indirect object
B Dative	C	Subject of the verb (does the action)
<u>A</u> Accusative	D	Possession

True or False

I Every Greek noun is either masculine or feminine or neuter.
