DON'T ASSUME THE GOSPEL

- What is their spiritual story (testimony)?
- You are looking for clear understanding of the gospel and a changed life.
- Please be very clear on the gospel at your tables.
- Sum it up in 4 words: **JESUS IN MY PLACE**
- God—>Man/Sin—>Jesus —>Response
(repentance & faith)

PEOPLE CONNECT WITH PEOPLE

- Be highly relational. Love on them.
- Sit with your back to the front to allow our guests to have a better view.
- Serve them. Pick up their trash afterwards and ask them if they need a refill.
- Be interested in who they are and what they care about. Just like Jesus is.
- Care about where they are spiritually and if they know and love Jesus.

THINK ABOUT THEIR NEXT STEP

- Where would be a good place for them to serve? Kids Ministry, First Impressions, Tech, /Prayer?
- Are there certain people in our church that you know they would connect with?

MAKE SURE YOU ASK THESE QUESTIONS

- How long have you been at Two Cities?
- How did you hear about Two Cities?
- Ask them about their spiritual story/testimony. How did you meet Jesus? Did you grow up in the church?

- Your Weekender experience.
- Your Serving Team experience at Two Cities. Which team?
