

disclaimer

Richer Health Consulting is a for-profit organization in British Columbia, Canada, dedicated to providing education about the Gerson Therapy, an alternative, non-toxic treatment for cancer and other chronic degenerative diseases.

The contents of this course, such as text, graphics, images, and other material contained in this online course curriculum ("content") are for informational purposes only and do not constitute medical advice; the Content is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of a physician or other qualified health provider with any questions you may have regarding a medical condition. Never disregard professional medical advice or delay in seeking it because of something you have encountered in this course.

In the event of a medical emergency, call a doctor or 911 immediately. This course does not recommend or endorse any specific tests, physicians, products, procedures, opinions, or other information that may be mentioned. Reliance on any information provided by this course is solely at your own risk.

The "Train the Trainer" and "Eat to Beat Challenge" course-curriculum ("content") are provided on an "as is" basis.
