Academic IELTS Task 2

**Write a discursive essay
about a topic of general
interest**

Education

An underwater photograph of a vibrant coral reef. In the foreground, there are large, textured coral structures in shades of brown and orange. Several large, striped fish with black and white bands are swimming around. The background is filled with a dense school of smaller, silvery fish. The water is clear and blue. An orange rectangular box is overlaid on the right side of the image, containing the word "Environment" in white text.
