# Deluxe Set

24 color set of Rembrandt watercolors. In addition to the 24 colors I added 2 half pans. 1, metallic silver and 1 extra ultramarine blue deep because I use so much of that color. Notice that even though this set has 26 colors, it's still quite small.

I also show a tube of Royal Talens white gouache which I sometimes mix with these colors. The brushes are a set of Silver Brush Voyage travel brushes. The set includes #2, #4, #6, #8
