How To Use The Emojis

- Emoji Charades.
 - Act out the feeling while others try and guess the name of the feeling!
 - Remember you may need to change what you are doing if the others cannot guess it.
- Give the emoji a sound.
- Move like the feeling of the emoji.
- Describe the feeling.
- Look at an emoji and draw the feeling in one colour.
 - The rule is it is not a literal drawing.
- When a child is fully in their emotions let them pick one to explain how they feel.
- Discuss what the feeling of the emoji is - remember different people may see different emotions in the same picture.

Remember...

There is no right or wrong there are only feelings.
