Scrapping with Filters: The Pointillize Effect

Challenge 3: Photo Challenge (Part 1)

Use the garden girl photo provided to create a Pointillize effect image, then use a layer mask paint back in the focal point.

[Terms of Use](#)

Complete the Challenge

Using the Garden Girl photo from the class downloads. Follow the same instructions to apply the Dry Brush and the Pointillize filters, to create something similar to the image below.

- Once you've finished the Pointillize technique, take the challenge further by adding a layer mask and painting back in focal point areas of the photo.
- If you are unfamiliar with layer masks, watch the [Layer Mask Basics](#) video in our FREE Fundamentals classroom. (free enrollment required).

- Do not move on to part 2 of this challenge until you've completed part 1.
- Consider adding flower word art provided in the class downloads to create a whimsical layout or inspirational image.
