

Tell Your Story

Draw Your Story of _____

A large grid structure for drawing a story. It consists of a horizontal line and three vertical lines. The horizontal line is positioned in the lower half of the page, and the three vertical lines are spaced evenly across the width of the page. This structure creates four vertical columns and two horizontal rows, providing a framework for drawing a story.

Tell Your Story

Write Your Story of _____

Directions: Write the story of the images you drew. Only use the front and back of this sheet of paper.
