Total Video Time 1:59:53

Sources For Tools and Materials

Harbor Freight Tools Online <http://www.harborfreight.com> (Only Online)

For Mighty-Mite Saw, order a separate 4" Jarmac Saw blade on-line.

Hobby Lobby use 40% off coupon on grinder to get a great deal! The glass they sell is brittle, so is not your best source for glass.

DelphiGlass.com is a good source, look for sales for exceptional value.

Your local stained glass supply. Go To <http://www.aanraku.com/locator> to find stained glass shops near you.
