

# Life Skills Scavenger Hunts

## Learning Objectives:

Students will navigate different environments (their classroom, school, grocery store, etc.) to find items and familiarize themselves with their surroundings.

## Materials & Preparation:

- Life Skills Scavenger Hunts power point (included)
- Life Skills School Scavenger Hunt List (included)
- Life Skills Grocery Store Scavenger Hunt List (included)
- Life Skills Convenient Store Scavenger Hunt List (included)
- Life Skills Local Park Scavenger Hunt List (included)
- Clipboards for students to carry their list (you provide)

## Instruction:

- Are you familiar with the environment around you? It's good to be aware of your surroundings. It's helpful to be able to look around and find things you need as well. Today we are going to do a scavenger hunt to familiarize ourselves with our environment (school, stores, etc.).
- Life Skills Scavenger Hunt power point
- Remind students of appropriate behavior when outside of the classroom or in the community.

## Independent/Partner/Group Time:

- Grab a clipboard and go on the scavenger hunt to collect signatures, items, or prices.

## Wrap up/Closing:

- Review!! How'd everyone do? Did you find what you needed?

## Ideas for Other Activities:

- If you have time, you can put items if certain locations for students to retrieve. You can modify the list of items if you are shopping for if you're doing a cooking lesson etc.
