

Module 0

INTRODUCTION AND PREWORK

Parte 1

Key takeaways:

Things to discuss:

- Self assessment
- Schedule builder
- Apps & Tech

SELF ASSESSMENT

When we understand our "why"
we're better able to persevere.

Why am I teaching Spanish?

I teach Spanish because it is such a useful and beautiful language. In my area, there is a large population of people who speak Spanish. The culture is infused throughout the city in restaurants, stores, clubs, schools, etc.

Being bilingual allows me to help others bridge the gap between different cultures in order to foster peace, tolerance and success.

why?
