The Money Mindset
Worksheet

MONEY MINDSET

WORKSHEET

1. What limiting beliefs do you have about money and wealth? How should you change these?
2. Self-reflection: do you want to be self-employed or a business owner? Why?
3. What are your business goals?
4. What are your business's Lead Indicators for activities? In what way are these contributing to your business goals?
5. What daily habits will you adopt for your business?
6. Create your business budget.
