

Watching Birds

Story by Guyla M. Vardell
Illustrations by Gregg W. Scott

Waiting at the window,

watching birds go by,

wings of every color,

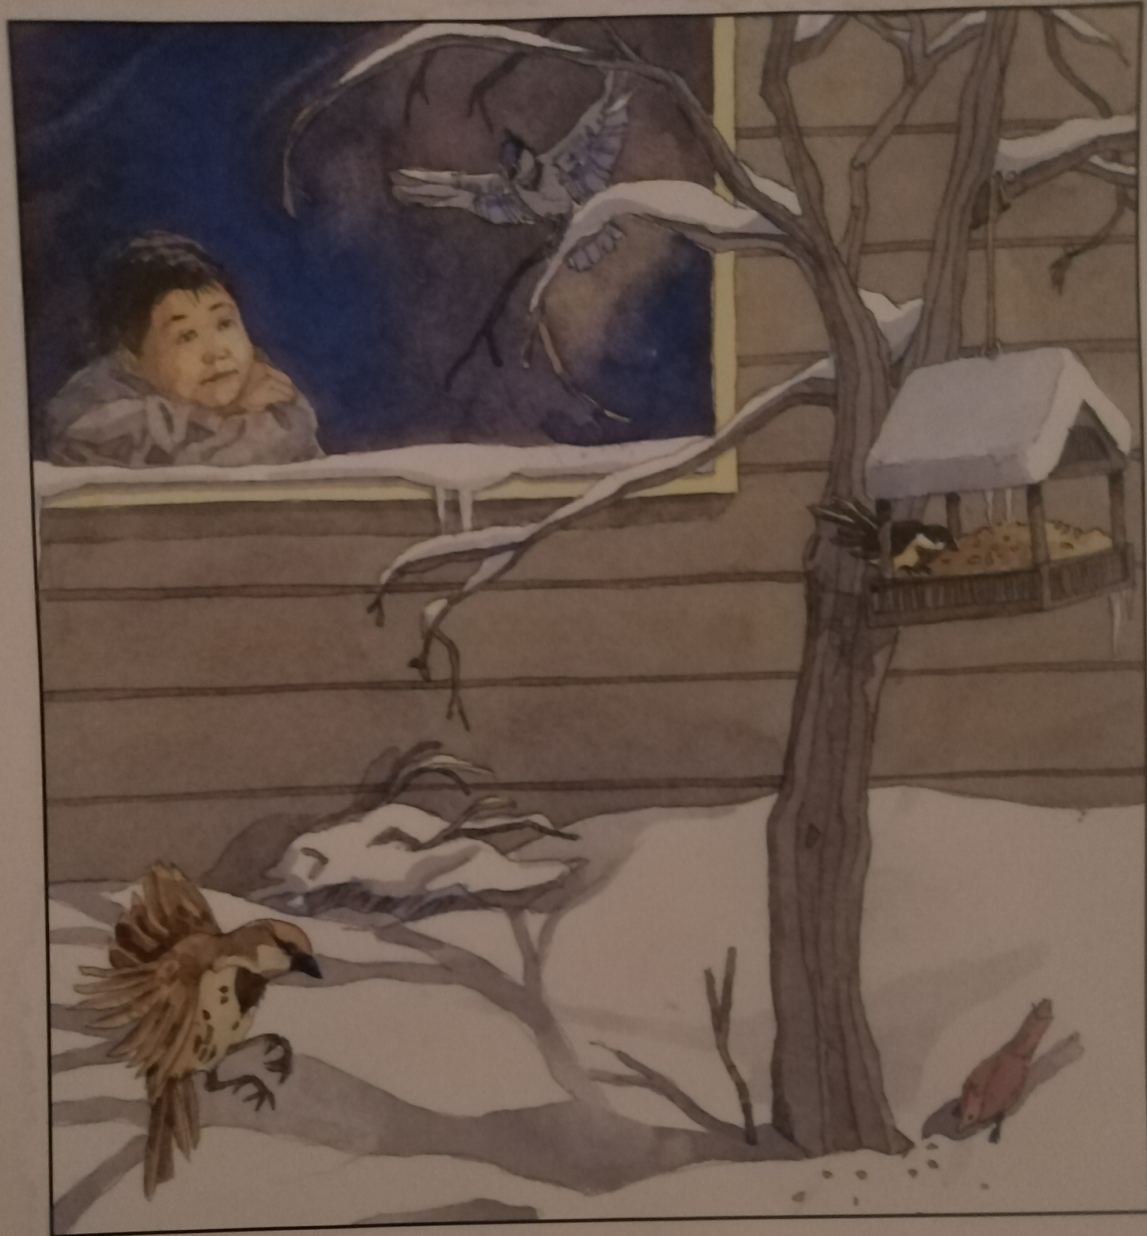

gliding through the sky.

Wings of red and yellow,

wings of blue and gray,

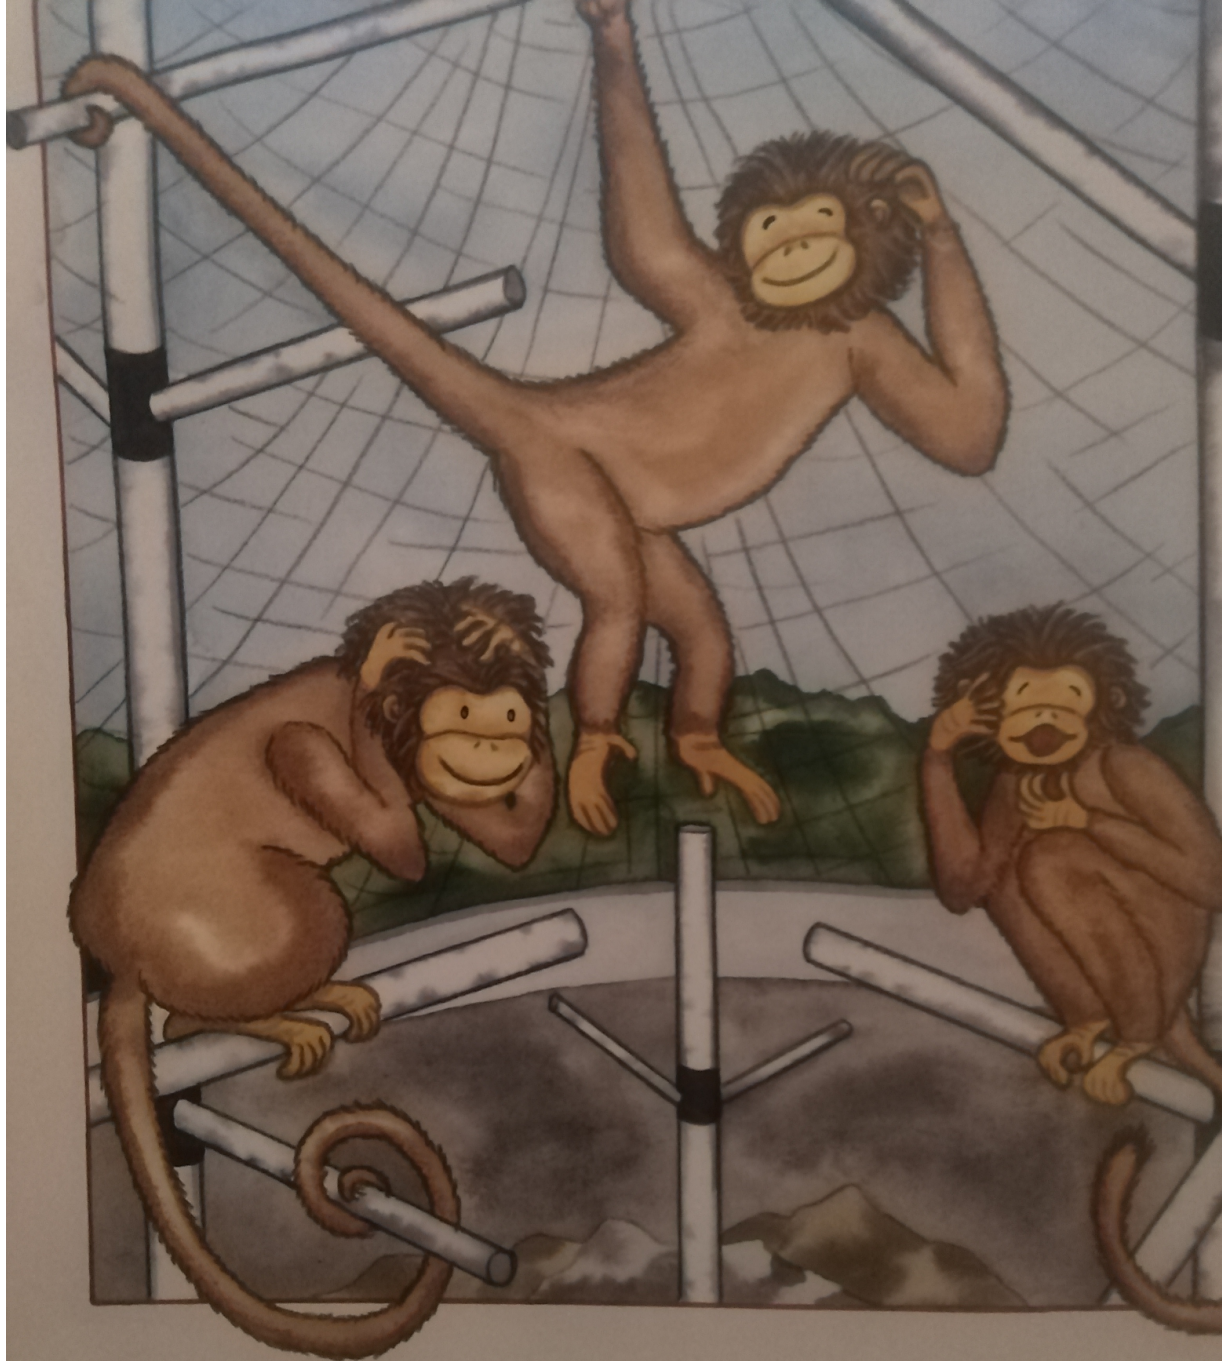

flutter to my feeder
on a winter day.

Birds are nesting
at the zoo, at the zoo.

Lions are resting
at the zoo, at the zoo.

Monkeys are scratching
at the zoo, at the zoo.

Turtles are hatching
at the zoo, at the zoo.

Tigers are creeping
at the zoo, at the zoo.

Bears are sleeping

at the zoo, at the zoo!
