

**Welcome To Accessing the Glory Realms ECourse:**

I am excited you are joining me for this ECourse, “**Accessing the Glory Realms**”. This will be an experience which helps you to learn to access the glory and impact your spheres of influence. You will learn the main reason you have power to access the glory realms, the keys to operating in glory, how to put on the divine nature of God from 2 Peter 1, what is an actual glory opportunity and how to identify it, and how to abandon yourself so you can live in the glory realms, and so much more.
