

Toddler Extra Activities

Hands on at Home Cardboard Stencils

You will need:

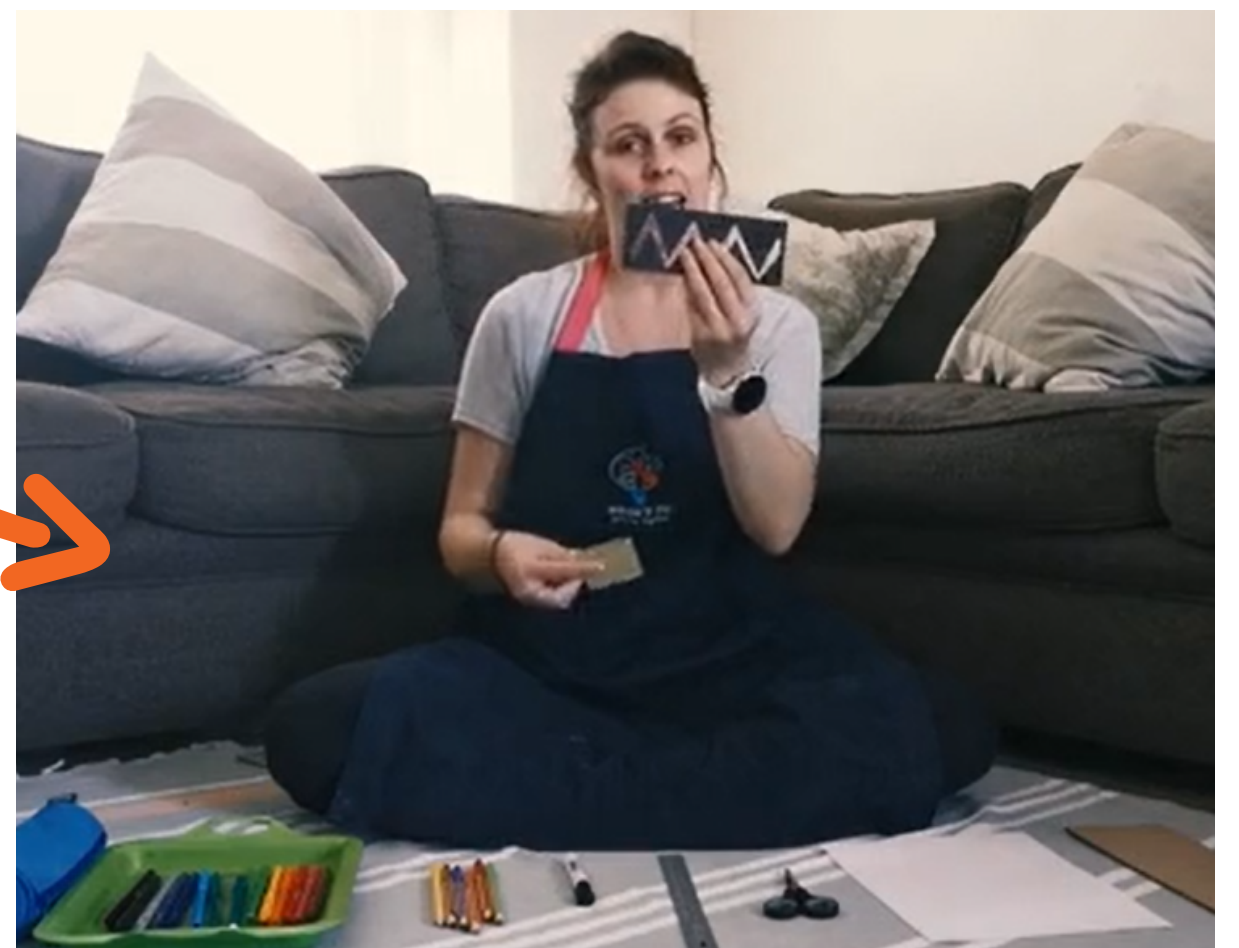

Paper
Cardboard from a box
Drawing material
Scissors/Stanley knife

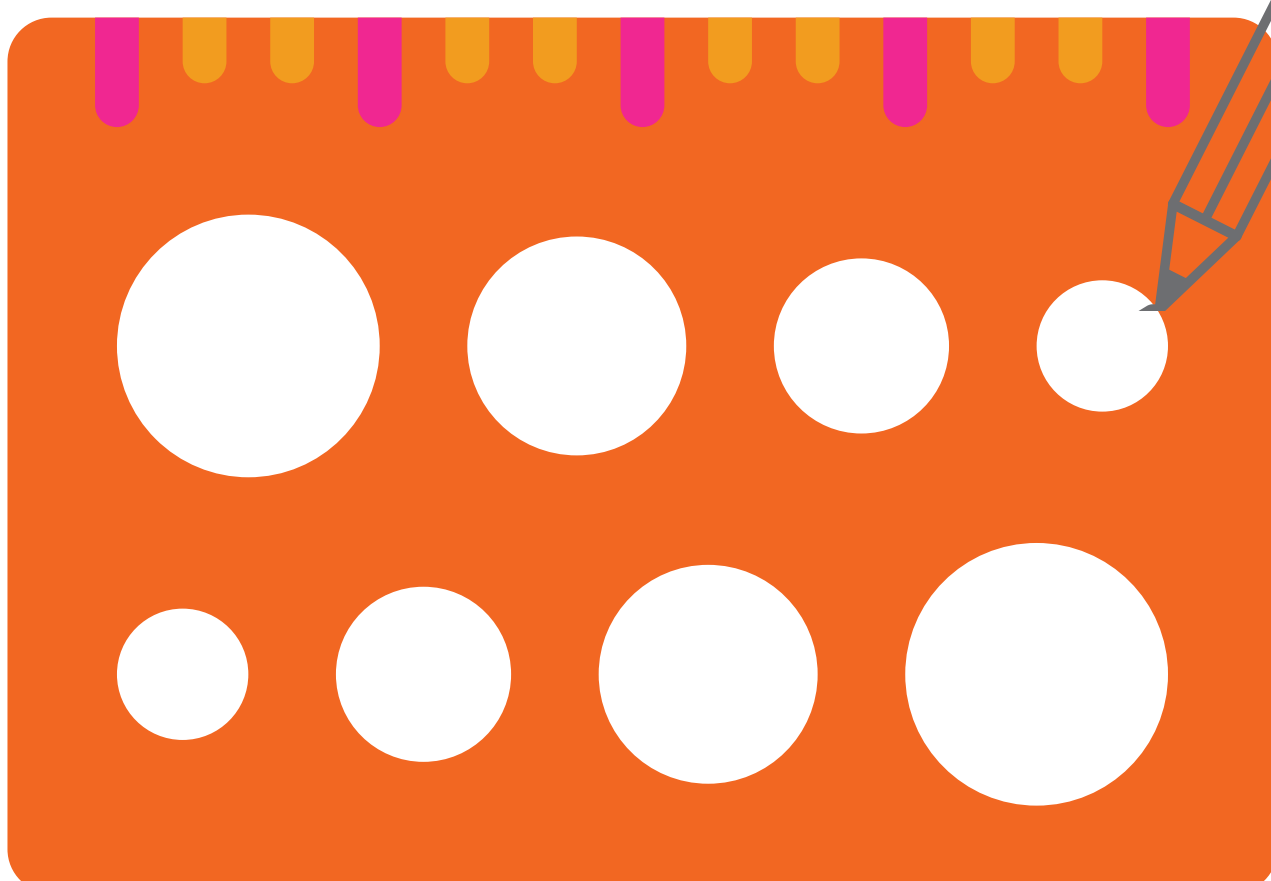

Method:

1. Cut some shapes or patterns out of some cardboard to make a stencil
2. Place the cardboard on some paper and show your child how to draw inside the stencil to make some fun pictures
3. Younger toddlers may find it easier to finger paint inside the stencils

ACTIVITY TIP:
This activity focuses on
Small Muscle Development.

Toddler Extra Activities

Hands on at Home

Animal Walks

You will need:

2 or 4 boxes (tissue boxes work best)

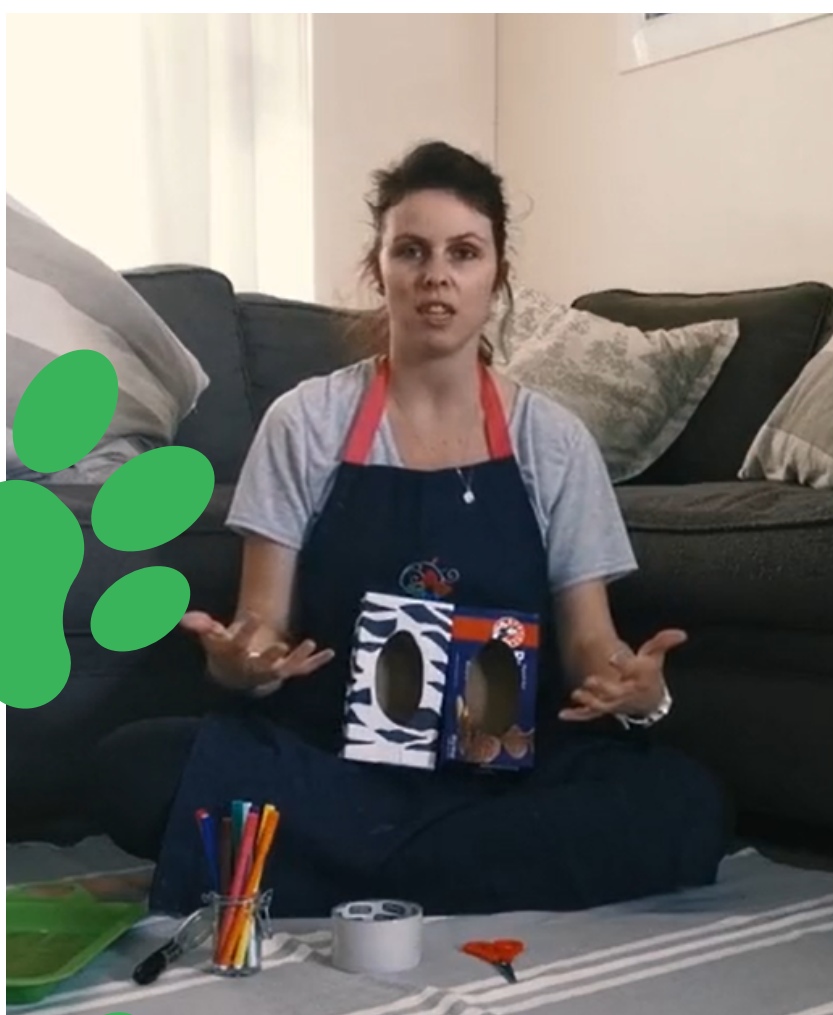

Scissors

Decorating material
(paint, paper, glue or
crayons etc)

Method:

1. Cut out holes in your boxes for your child's hands and feet to fit inside – make sure they are not too big so they don't fall off
2. Decorate your boxes to look like different animals
3. Show your child how to put his/her hands and feet inside the boxes and walk around like different animals
