Metaphysical Money Magic

Exercise to connect with your feelings about money:

Get a note of any denomination of your money.

Sit up straight

Hold the note in front of you and focus your attention on that note.

Tell it that you acknowledge it as Universal energy in a solid form.

'I recognise you to be Universal energy in solid form'.

Then tell the note that is it alive and conscious of itself.

Not tell it that you are transferring all of your feeling and thoughts to it

I am now transferring my subconscious feelings and thoughts about money to you

Now in your mind see the energy transferring from you to the note.

Allow yourself to see and feel it for your solar plexus to the note.

Now ask your money these questions and write down your answers:

- **How do you describe my attitude towards you?**
- **Do I fear you and why?**
- **Have I ever abused you, and if so, how?**
- **On a scale of 1-10 (1=low 10=high) how would you score my integrity around money?**
- **Do you feel that I am responsible and respectful of you?**
- **What else do I need to understand around my attitude around money**
- **Be aware of your responses but also be aware that all negative attitudes will be transmuted over these 40 days, simply do the work!**
