## TYPE CP6 SELF-AWARENESS

/10

I relate to the words on the Enneagram Infographic.  
I see myself in the feeling of the Ennea cartoon.

/10

I don't trust easily and am forced to look after myself.  
I worry and think a lot because I plan for the worst. I think I may be an 8, but I don't take revenge, and compassion is natural.

/10

Integrity, honesty, fairness and equality are very important to me.  
I challenge power and authority. I speak for the powerless.

/10

I openly and directly question a lot. It's difficult to know the safest thing to do, so I gather information and demand answers. I'm right to challenge people in power and demand transparency.

/10

My body posture shows my directness. I try to show myself and others that I'm not afraid. I try to be strong. I sometimes make 'us' and 'them' camps seeking to protect the underdogs.

/10

When I feel low, I attack and question.  
When I feel good, I trust myself and my knowing, slow down peacefully, and become less defensive.
