In 1975 Bill Bright, founder of Campus Crusade and Loren Cunningham, founder of Youth With a Mission, had lunch together. God simultaneously gave each of them a message to give to the other: "The culture is shaped by seven mind-molders or mountains in society. If we can influence each of these areas for Christ, we will win the culture of our nation." Unfortunately, we have not been winning the culture since 1975, but losing precious ground. There are a lot of reasons for that you will learn about on this website.
