Additional Training Requirements

1. Create your own zoom.us account: This is free. You want to have this available for innumerable sharing opportunities!
2. If you do not have one already, you will create a separate FB page for YOU as a Life Artist, an artist, Creatively Fit Coach, etc.
3. You will create a FB Group, if you do not already have one, where you can share your creative journey. The Group and Page are addressed in the Share + Ripple section of the training.
4. You will complete the assignments during the 4 Months of Training with Whitney Freya, most importantly the 3-part video workshop.

Each of these requirements are to empower you, to give you confidence, experience, and learning opportunities. You will EXPERIENCE being a Creatively Fit Coach before the training is over! AND Whitney is always ready to tailor your requirements to best fit your needs.
