WORKING & LIVING WITH CREATORS

- You want a Creator on your team to dream up the ideas or envision the project.
 - Give Creators lots of space, time, and flexibility to do their creating.
 - Expect that a Creator will be late and don't schedule morning appointments for them. They need their sleep to do their dreaming.
 - Let a Creator have freedom to make their own choices and do things in a unique way.
 - Let them lay down or be outside by water to work as this feeds their creativity.
 - Let a Creator have their alone time & don't rush them to make decisions or complete tasks.
 - Give a Creator meaningful deep conversations, support their creativity, & love their GREATNESS!
-

Creators All Around You

- Remember, even if you aren't a Creator, your spouse, child, friend, parent, co worker, or neighbor might be.
- Instead of focusing on how their differences may irritate you, focus on how their creativity makes the world a better place
- Be patient, loving & kind as you come to appreciate their **GREATNESS!!**
