## ***Course Information***

There are two aspects to this course that you will need to complete in order to receive your Hypnotherapy Clinical Certification

### **1. Online Training**

Course content, tests, manuals, articles and required readings are located on the HPC learning site [HPC.teachable.com](http://HPC.teachable.com) under Clinical Course

This platform lays out all your requirements in an easy-to-follow step-by-step structure. If you have questions about how to use the platform you can post a comment online and your question will be answered swiftly.

In the online training platform are required to complete the required reading assignments along with their quizzes.

Online, under the section called “Student Training Manual” you will be able to watch the video lessons to complete this manual. Be sure to right down you questions in the notes section in order to ask you coach or on the overview class.

### **2. Training**

You are required to have coaching sessions, watch or participate in Zoom overview classes

The live trainings will be primarily hands-on practical learning either over Zoom or in person in Jupiter, Florida. You’ll be able to view demonstrations, watch your instructor do real sessions with students, build a bond in our community to support one another, and practice techniques so you leave each event feeling proficient in your new skills.
