

The Business Accelerator Philosophy

As focused Entrepreneurs who are looking to significantly accelerate their business....

- We make choices, not excuses
- There is no room for negativity, keep it solutions focused and high-vibe
- We do the work for ourselves first then ask for support when desired
- We manage our time effectively
- We report on our progress monthly
- We strengthen our mind-set
- We celebrate our own and others wins
- We show up for ourselves
- We take responsibility for making the most out of the programme
- We adopt a growth mind-set and focus on the journey
- We follow and implement the training received from The Business Accelerator Programme, Nik Hanson and her team
- We stay on track
- We do one week at a time and don't feel overwhelmed
- We remain highly engaged during the Programme
- We show up as our best self
- We are committed to creating greatness within others and ourselves

Your Responsibilities

- Provide a monthly update to Nik on your progress
- Be on time for your 1:1 sessions
- Book your 1:1 sessions with Nik
- Take a day off each week
- Complete a Programme Review at the end

Business Accelerator
