

CREATION & INNOVATION

#3

Using your curriculum and/or a resource from your subject area, choose one of the big ideas found on pages 90 and 91, and create an outline for a potential class project. (5 minutes)

#4

Return to #2 of Inspection & Reflection. Use your notes as a checklist to self-evaluate the effectiveness of your project outline. Share your project idea with a colleague.

Explain the thinking behind your project. Ask for feedback. (5 minutes)

#5

Try your created strategy with a class. Reflect on its success.

Discuss with a colleague. Option: Share ideas in the

[Rock Your Class Facebook group](#) or on social media
