## Writing TASK 2 - Two-part question essay: Practice question

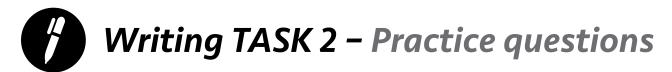

In some countries students are required to learn a foreign language.

Why is it beneficial to speak more than one language? What can be done to encourage more people to learn foreign languages?

## Writing TASK 2 - Two-part question essay: Practice question

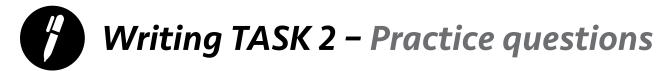

An increasing number of people choose to emigrate and settle to live and work in another country.

Why is this? Should governments do more to stop people leaving their own country?
